Specifications apply to 2022 Model Year EV6. Kia Motors Australia reserves the right to discontinue or change the models, features, specifications, options, designs and prices of products referred to in this sheet without incurring any liability whatsoever to any purchaser or prospective purchaser of any such products. Some of the items herein are optional at additional cost. Consult your Kia dealer for the latest information on models, specifications, features, prices, options and availability. Figure based on WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) static laboratory combined average city and highway cycle test, which measure, energy consumption, range and emissions in passenger vehicles, designed to provide figures closer to real-world driving behaviour. Real life driving results will vary depending on a combination of driving style, type of journey, vehicle configuration, battery age and condition, use of vehicle features (such as heating and air conditioning), as well as operating, environmental and climate conditions. ² Subject to State regulations and towbar design. ³MDPS - Motor Driven Power Steering. ⁴DMS - Drive Mode Select. ⁵Safety technologies are supplemental systems and do not replace the need for the driver to exercise care and attention. ⁵EBD - Electronic Brake Distribution. Pa - Brake Assist. ⁸TCS - Traction Control System. ⁹The Road Traffic Code 2000 in WA prohibits people from driving a vehicle unless a person is behind the steering wheel and they have full control over the vehicle. The use of this Remote Smart Park Assist (RSPA) feature will not comply with this rule and thus it should not be used while within WA. ¹⁰IMS - Integrated Memory Seat. ¹¹Wireless charging compatible with phones featuring Qi technology or adapter. ¹²Meridian is a registered trademark of Meridian Audio Ltd. ¹³Android Auto^{7M} connectivity requires compatible Android device.
